TRIBOS–Promotion Case

1 SVP Mini + 5 SVL Extensions (CP)

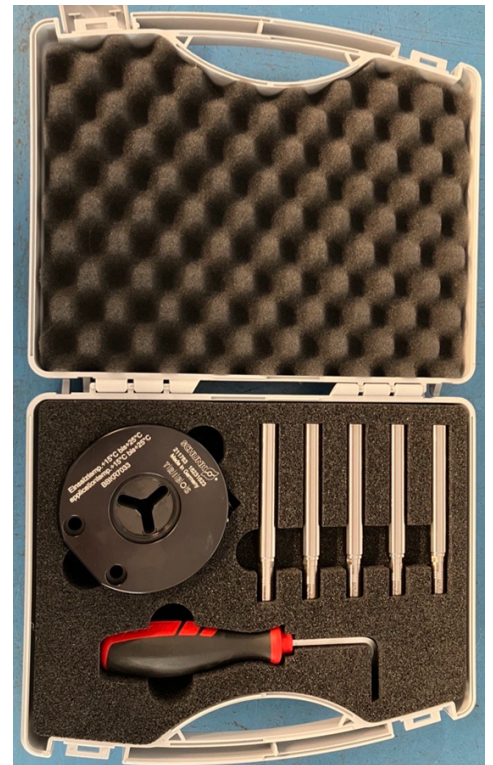

Your benefits

- From micro to super finish machining, up to heavy-duty and volume metal cutting
- Concentricity property < 0,003 mm
- Absolutely maintenance-free
- Best vibration damping
- Rotationally symmetric design

Promotion case price CP: \$1799

We chose the bestsellers of the past 5 years

Promotion case	CP
5 x Ø3mm	1560502
5 x Ø4mm	1560504
5 x Ø6mm	1560506
3 x Ø3 / 1x Ø4 / 1x Ø6	1560508
3 x Ø4 / 1x Ø3 / 1x Ø6	1560509
3 x Ø6 / 1x Ø3 / 1x Ø4	1560510

- TRIBOS shows its strength in highly precise micromachining right up to large volume cutting. Excellent concentricity properties of < 0.003 mm ensure a longer service life and the best surface qualities. TRIBOS is absolutely maintenance-free, and due to its honeycomb/anchor structure, it dampens vibrations in an ideal way.
